AN ART EXHIBITION & SALE
of 379 works by 138 artists featured in a collection of 11 virtual art exhibitions

From 1 Feb 2021 - 25 Dec 2021
Virtual Exhibition hosted on www.cancer.org.in

Organised by

Cancer Patients Aid Association

FOREWORD

Just two years ago, who would have believed we would be restricted to our homes as we have for such a prolonged period of time? Perhaps this experience has forced us to look more appreciatively at artworks in and around our homes.

The indications were clear, CPAA's Art exhibition and sale, Colours of Life, continued to receive support from art lovers not just in India but Dubai, New Zealand, U.K. and U.S.A in 2021.

In the meantime, cancer cases have increased and CPAA continues to receive an appeal a day on average from all over India.

Four years ago, CPAA consciously reached out to cancer treatment centres in non- metro cities and towns. The efforts bore fruit during the pandemic when it became difficult for patients to travel afar for treatment. Today CPAA is supporting 51 hospitals in 16 states from Srinagar in Kashmir to Thiruvanantapuram in Kerala, from Ahmedabad in Gujarat to Guwahati in Assam. Largely thanks to the funds raised by Colours of Life.

We thank artists from all over India who have come forward and contributed enthusiastically to our efforts. Equally, we are grateful to buyers who have been loyal in sourcing their favourite artworks from Colours of Life.

Today, we can look back on the past two years and feel justified in saying that our enforced restrictions have actually resulted in bringing us closer with a greater appreciation of our interconnectedness.

We look forward to your continued support going forward.
