beAting cancer togeTher

At CPAA, we have been working to support the treatment of underprivileged patients in India since 1969. This catalogue in your hands records our efforts to raise funds through annual art exhibitions and sale since 2005. It is immensely satisfying to see the exhibition grow into an event anticipated by artists and art lovers alike.

We sorely miss today leading artists that supported us wholeheartedly over the years and are no longer among us including Achuthan Kudallur, Badri Narayan, Datta Bansode, Haku Shah, Jai Zarotia, John Fernandes, M. F. Husain, Prafulla Dahanukar, Ram Kumar, Rini Dhumal, Shyam Kanu Borthakur, Sunil Das, Suryaprakash, Tyeb Mehta, Yashwant Shirwadkar and Yusuf Arakkal.

The idea of enlisting the general public to support patients all over India through the medium of art germinated through the inputs of multiple parties. The role played by senior artists, Cymroza Art Gallery and corporates who over the years sponsored our catalogues must all be acknowledged.

The enthusiasm shown by artists who have generously given of their talent has been the wind beneath our wings. In the past 18 years close to 500 artists have participated by donating their works. Works have come from the 4 corners of India but also from neighbouring countries, Bangladesh, Pakistan, Sri Lanka, USA and created lasting friendships.

Equally heartwarming has been the support we received from buyers from various backgrounds and even **different** countries. Our paintings have traveled to Dubai, New Zealand, UK and USA. From young first time buyers furnishing their new nest to collectors looking for that unique piece not available from any other source, 327 works of art have found loving homes.

This is why the theme for this year's exhibition is "beAting cancer togeTher". For truly there is no other way we can tame this deadly disease. We must all come together and help every last patient to receive the treatment they have been prescribed. No patient should be denied the best medical science has to offer simply for financial reasons. Let us BEAT CANCER TOGETHER through ART!
